

SMART RECRUITMENT HAS REAL PULLING POWER.

A few minutes in excess of the 4 minute mile pace, staff from Smart Recruitment put all their might into pulling a 16 seat minibus from Three Legged Cross to Moordown taking 4 ½ hours from start to finish and averaging 30 minutes a mile recently!

Quinton Watts, Technical Divisional Manager in Poole comments, "The event was in order to raise funds for Moordown St Johns School in aid of the minibus appeal. We were fortunate to raise over £100 in sponsorship and Smart Recruitment has matched this making our sponsorship total a healthy £200."

Smart Recruitment take a keen interest in community activities as a company and are equally supportive of staff that endeavour to raise funds for local causes with the company matching the funds raised to show their support.

"We take our community involvement very seriously and play an active part in local events and activities." comments Helen Stacey, Director of Smart Recruitment. "The minibus pull saw a number of our staff giving up their own time to raise funds for a good local cause. We are keen to show our support to staff members and the community alike to help raise funds where we can."

Smart Group Recruitment Solutions have been operating for over 6 years and with turnover in excess of £10 million the Smart story has certainly been successful since it's inception.
